Traffic Guidelines

Concerning access to the exhibition centre during the construction and dismantling periods

Dear Exhibitor,

Koelnmesse GmbH
Messeplatz 1
50679 Köln
Postfach 21 07 60
50532 Köln
Germany

These traffic and access regulations for the construction and dismantling periods are designed to ensure that you and your stand construction companies have a trouble-free stay at the exhibition centre in Cologne.

Your contacts for logistics and transport are:

Person in charge

Roman Gersch

Telefon +49 221 821-2670

Telefax +49 221 821-3999

r.gersch@koelnmesse.de

www.koelnmesse.de

Substitute

Josef Scharn

Telefon +49 221 821-2344

Telefax +49 221 821-3999

j.scharn@koelnmesse.de

www.koelnmesse.de

Your contact for questions relating to **stand construction approval** is our event technology/execution genehmigung@koelnmesse.de

Please note:

Make sure to pass this information on to your drivers and stand construction personnel!

Traffic Restrictions

The Zoo Bridge is blocked off for heavy-duty traffic.

Please note that the Zoo Bridge in Cologne has been blocked for heavy-duty traffic with a total authorised loaded weight of 30t and over since 15 October 2010. Please use instead the detour routes signposted by the City of Cologne. Further information including the corresponding route maps can be found on the website of the City of Cologne at:

<http://www.stadt-koeln.de/politik-und-verwaltung/presse/ab-15-oktober-wird-zoobruecke-fuer-lkw-mit-gewicht-ab-30-ton>

Blocking off of Grenzstraße street tunnel B55a for lorries over 7.5t

Due to necessary work for the improvement of fire prevention and the subsequent reconstruction work, the Grenzstraße street tunnel on the city motorway between the Zoo Bridge and the motorway junction Köln-Ost (Cologne East) has been blocked off until further notice for lorries over 7.5t since the beginning of August 2012.

Therefore kindly use the signposted detour route from the motorway junction Köln-Buchforst.

This leads onto the Frankfurter Straße, then onto the Vingster Ring and from there via the eastern access road in the direction of the fair grounds. Alternatively, you can use the route via the A4, Gremberg Junction to the eastern access road.

Further information on this subject can be found on the homepage of Koelnmesse at:

<http://www.koelnmesse.de/Koelnmesse/Anreise-und-Aufenthalt/Anreise/anfahrt-per-LKW/index.php>

Environmental Zone.

Most of the Cologne metropolitan area is an environmental zone, which only vehicles of the emissions group 4 carrying a corresponding green emissions sticker, are allowed to enter.

The access to Koelnmesse is however also secured for all vehicles without a sticker. Please see the route map for the access roads for vehicles without a sticker.

Per administrative authority general disposition, lorries with a total authorised load of 30t and over, which are not able to receive an emissions sticker due to their technical requirements, are also authorised to access Koelnmesse through the environmental zone. However, this only applies for the marked alternative routes.

More information can be found at:

<http://www.stadt-koeln.de/leben-in-koeln/umwelt-tiere/luft-umweltzone/die-koelner-umweltzone>

General Traffic Regulations

- The instructions of the traffic guidance/logistics staff of Koelnmesse have to be followed.
- The traffic regulations (StVO) apply for the entire fair grounds.
- The maximum speed permitted throughout the fair grounds is 30 km/h.
- Driving through the fair grounds with vehicles of all kinds is at one's own risk and is only permitted with the corresponding permission, a valid access pass or valid parking permit.
- Labelled traffic lanes, routes designated for the fire brigade and emergency routes (charging gates and emergency exits, etc.) must be kept free **at all times**.

Koelnmesse GmbH reserves the right to have vehicles, trailers, containers, vessels and empty containers of all kinds that are parked illegally or in a no-parking zone towed away without prior notice at the cost and risk of the causer, driver or owner. The guarding and keeping safe of such is excluded. The Messewache Nord (Security Office North) Tel. +49-221-821-2551 can provide information to the whereabouts of vehicles.

In case of an emergency, please leave a telephone number in the vehicle/swap body, which you can be reached on.

Exclusively forklift trucks of the following forwarding agents are allowed on the grounds of Koelnmesse:

SCHENKER Deutschland AG

Tel. +49 221/98131-8821

+49 221/98131-8823

Fax +49 221/98131-8890

E-Mail: fairs.koeln@dbschenker.com

Internet: www.schenkerfairs.de

Assembly vehicles of all kinds, as well as containers are not allowed to be parked in the fair grounds during the trade fair. However, for the fee of Euro **700.00** (plus 19% VAT) a limited number of parking spots for lorries, trailers and containers can be hired in the fair grounds. This fee applies exclusively for the duration of the event. Parking spots can be ordered via the Koelnmesse Service Portal using form T.20. Regardless of the location of the container or vehicle or the usage of the same by persons, it may be necessary to attach a smoke detector that is connected to our fire alarm system. These can also be ordered via the Koelnmesse Service Portal.

Koelnmesse GmbH cannot store your goods temporarily or otherwise!

These forwarding agents will also gladly take care of the storage of your full containers before assembly begins or before the event as well as the storage of your empty containers during the event. These services can be ordered via the Koelnmesse Service Portal using the form T.18.

Construction and Dismantling: General Regulations

During the construction and dismantling periods, trucks are directed by a special guidance system close to the trade fair grounds.

The following regulations apply during photokina 2018 for vehicles over 3.5 tons:

1. Trucks over 3.5 tons will be directed to P22 from 20. September 2018.

At P22, vehicles will be registered, and access permission will be granted for entering the trade fair grounds.

Access to the trade fair grounds will not be granted unless:

- The exact delivery location (hall and stand number) has been assigned
- The required areas for loading and unloading are available at the halls
- The logistic services (if required) have been provided by the contracted transport agency
- The customs handling (if necessary) can be completed

Our traffic staff at P22 will then direct trucks to the grounds.

2. When the dismantling period begins (on the last day of the trade fair), all arriving vehicles will be directed to P22 by means of signposting.

Vehicles may not access the trade fair grounds until 08:00 p.m. on 29. September 2018.

Special regulations apply to vehicles weighting less than 3.5 tons (see access regulations for the last day of the trade fair).

Please note:

On the last day of the trade fair, vehicles will not be granted access to the trade fair grounds unless they first pass via P22!

Free parking for unloaded passenger cars during construction and dismantling:

Halls 1 – 5: Parking decks P 2, P 4, P 5, P 10
